Prominent Manufacturer Drops Dead From Uraemic Poisoning.

Without Warning Mr. F. Tiffany is Swept Into Eternity by Kidney Disease.

Doctors Said It Need Not Have Been Had He Kept His Kidneys Healthy by Using Warner's Safe Cure.

In apparent perfect health, Mr. Tiffany, a well-to-do New England manufacturer of knit goods, had been attending to his business right along, but suddenly he dropped dead. The case was announced later as an dead. The case was announced later as an accumulation of uric acid in the blood—one of the last and most fatal stages of kidney

Doctors claim that of late years there has been a startling increase in kidney troubles, and that one-third of all deaths results from this cause.

Thousands of men and women are afflicted and do not realize it is their kidneys un-

til death is near.

If there is the tiniest quantity of uric acid in the blood it is an absolutely certain sign that your kidneys are diseased, because it is the duty of the kidneys to remove this deadly acid completely from the system, and, of course, if the kidneys are not healthy they cannot perform their work properly, and the longer they run without treatment the worse they become—kidney disease never cures itself.

Uric acid cuts into the tissues and the diseased parts pass off in the urine. Therefore, til death is near.

eased parts pass off in the urine. Therefore, it is very easy for every one to keep perfect watch over the kidneys by making the following

SIMPLE URIC ACID TEST. From time to time let a little morning urine stand in a glass or bottle 24 hours. If it becomes cloudy, a sediment forms, or if minute particles float around in it, your kidneys have been diseased for months. At any moment you may be attacked by convulsions, Bright's disease, blood poisoning and death unless you at one arrest the inand death, unless you at once arrest the in-flammation and purify the kidneys with Warner's Safe Cure, which is the only rem-edy that will safely and effectively restore the kidneys, liver, bladder and urinary or-gans to their original healthy condition, and keep them in shape to do the work God has given them to do.
